Why Choose Our 2022 Tesla Model Y (Base) Rental Riverdale? Electric Power & Performance

- Dual motor all-wheel drive (AWD) – offering exceptional traction and performance in all conditions.
- Impressive range – up to 330 miles on a single charge, perfect for long-distance travel.
- Instant acceleration – going from 0 to 60 mph in just 4.8 seconds for a thrilling driving experience.
- Regenerative braking – enhancing driving efficiency and helping recharge the battery during deceleration.
- Spacious 5-passenger interior – with ample room for both passengers and cargo.

Advanced Safety & Driver Assistance

- Tesla Autopilot – advanced driver assistance features, including:
 - Adaptive Cruise Control
 - Autosteer
 - Traffic-Aware Cruise Control
 - Emergency Braking
- Full Self-Driving (FSD) package available for added convenience and safety (depending on availability).
- 360-degree camera system – offering full visibility and helping with parking and navigation.
- Lane Departure Avoidance – ensuring you stay on course, even during long trips.

Modern Comfort & Technology

- 15-inch touchscreen display – providing seamless control for navigation, media, climate control, and more.
 - Premium sound system – offering an immersive audio experience throughout your journey.
 - Over-the-air software updates – keeping your vehicle up to date with the latest features and improvements.
 - Bluetooth hands-free calling & audio streaming – ensuring you stay connected effortlessly.
 - Dual-zone climate control – keeping both driver and passengers comfortable.
-
